Market Policy

If you need food assistance, you will be permitted (1) visit to the Market prior to meeting with a case manager. After an assessment with a case manager, it will be determined how many pantry visits will be allowed. If necessary, you may visit the Market as frequently as once every two weeks; however, visiting the Market less frequently is acceptable. You determine whether you need to visit every other week or less often.

After your final visit, if you are still in need of food assistance, you will be required to set up an appointment with a case manager to discuss your family's continuing need and to be re-approved to continue using the Market. You should be prepared to explain why you are still experiencing a crisis and why receiving emergency food assistance is critical to your transition back to self-sufficiency.
